DETAILED ACTION

Status of Claims

Claims 1-20 remain for examination wherein claims 1 and 12 are amended.

Claim Rejections - 35 USC § 103

The rejection of claims 1-3, 7-18 and 20 under 35 U.S.C. 103(a) as being unpatentable over US 2002/0040662 to Dietz et al. as generally set forth in the previous office action mailed 03/30/2009 stands.

The rejection of claims 1, 4-6 and 19 under 35 U.S.C. 103(a) as being unpatentable over US 2002/0040662 to Dietz et al., in view of US 2002/0055619 to Dietz et al. as generally set forth in the previous office action mailed 03/30/2009 stands.

The text of those sections of title 35 US Code not included in this action can be found in the prior Office Action.

Response to Amendment

Applicants' amendments (deleting the limitation of "without the use of the carrier gas stream") to the claims 1-15, filed on 06/29/2009 are acknowledged. As such, the rejection to the claims 1-15 and the objection to claim 1 set forth in the previous Office Action are withdrawn.

Response to Arguments

Applicant's arguments filed 06/29/2009 have been fully considered but they are not persuasive. Therefore, the grounds of rejection for claims 1-20 as indicated in the previous Office Action stand.

The applicant argues that the amended claims recites that the nozzle are not coaxially aligned. The Examiner respectfully submits Dietz et al. disclose that in case of a three-jet arrangement, an angle of 120 °C between the jets is appropriate. Therefore the nozzles are not coaxially aligned (having no common axis).

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
